We bridge the funding gap for circular innovators, and enable their path towards large scale impact

...to world changing companies, like, QCP (Quality Circular Polymers)

capital

because:

It is our mission is to finance promising and financially feasible initiatives...
...that banks and other financiers...

- don't finance (innovation/construction phase)
- don't finance yet (early stage/start-up/scale-up)
- finance insufficiently (in money or timing)
